A Message from Governor Mark ...

We are at the mid-point of our 2017-2018 “Count on Us” year. And, we have endured some brutal weather and lost ground with our membership. Well, we can weather the losses and rough times and regenerate our spirit. Spring brings us to a time to rekindle the Passion and Determination that is so important in reaching the goals we set. The children of the Indiana South District deserve our attention and support.

This 3rd Quarter Conference is an exciting one with the Oratorical Finals Contest, the Essay Contest winners and our Lt. Governor elections. The kids always wow me as I am sure they do you as well. The cold winter will be behind us, and I now see some flowers starting to peek up through the ground and buds forming.

I am delighted that we return to Terre Haute – the Zone 4 Optimist Clubs have been on fire in the last few years and Terre Haute has been good to the Indiana South Optimist over the years.

So, make your plans *now* to join us and let’s *Charge!* Together we can do it to reach those goals we have set as Optimists so that our kids can Count on Us.

- Governor Mark

The Hilton Garden Inn in downtown Terre Haute is just two blocks from the Indiana State University campus, and the Children’s Museum, Swope Art Museum, Vigo County Public Library and Clabber Girl Museum are located nearby. Honey Creek Mall and loads of restaurants are 10 minutes away from the hotel. The hotel offers full-featured sleeping rooms including free Wi-Fi, microwave and mini-fridge. The hotel is undergoing renovations during our time there. The project includes the lobby, restaurant, and lounge. During renovation the restaurant and lounge are temporarily relocated to the second floor of the hotel.
