

**PROPOSED****Tri-Star Golf****Golf Equipment**

- \* Golf practice facility (putting green, driving range)
- \* Youth golf clubs (4-6 drivers, putters, wedges)
- \* Range balls
- \* Bag of tees
- \* Tape measure
- \* 6 directional flags
- \* 2 card tables - for registration & official scorer's tables
- \* 1-3 clipboards
- \* Extra entry forms for registration table

**Site Preparation**

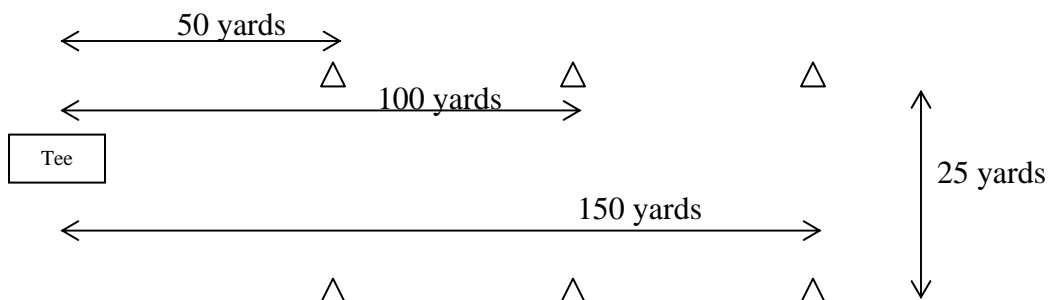

Using golf tees identify teeing area on putting green for teeing area. The putt should be approximately 20 feet in length.

Using golf tees identify teeing area adjacent to the putting green for chipping competition. The chipping tee should be approximately 30 feet from the edge of the green and the hole should be approximately 20 feet onto the green.

Identify teeing area on practice tee for driving competition. Place marker flags on the practice range to identify left and right boundaries and distance markers as shown in the sketch below.

## **Golf Skills Competition**

### **Driving**

Each participant will attempt five drives from the designated teeing ground. These will be scored for distance and accuracy. One point will be scored for each drive that stays in bounds and passes the first set of flags. Two points will be scored for each drive that stays in bounds and passes the second set of flags. Three points will be scored for each drive that stays in bounds and passes the third set of flags. One person will be needed to explain the rules, answer questions, start the participants and record the results. One person will be on the range to score each drive.

Equipment needed:

- \* drivers & range balls
- \* direction flags

### **Chipping**

Each participant will chip five balls from the designated teeing area to a designated hole in the putting green. One point will be scored for each chip that stops within six feet of the designated hole. Two points will be scored for each chip that stops within four feet of the designated hole. Three points will be scored for each ball that stops within two feet of the designated hole. One person will be needed to explain the rules, start the participants, and record the results.

### **Putting**

Each participant will attempt five putts from the designated teeing area to a designated hole in the putting green. One point will be scored for each ball that stops within three feet of the hole. Two points will be scored for each ball that stops within two feet of the hole. Three points will be scored for each ball that stops within one foot of the hole. Five points will be scored for any holed putt. One person will be needed to explain the rules, start the participants and score the results. One person will be needed to measure the distances from the hole.

**Scoring** (see attached Entry Form & Instructions)

### **Presentation of awards**

### **Clean-up of the Contest Site**

Clean up the site and leave it in better condition than it was prior to the event.
